

Veerashaiva College, Ballari
Department of Zoology

VISION

Zoology department promotes the discovery and broad knowledge about the biology of animals, evolution and their environments. The holistic development of the student and make them able to contribute effectively for their welfare and society in this dynamic era.

MISSION

Our mission is to offer high quality education dedicated to building minds with social and moral responsibility. We are committed to educating the students beyond the confines of a class room to make them better individuals and develop their personalities, enabling them to face the challenges of the modern world.

OBJECTIVES

1. Zoology is the study of animals in all its aspects, from cells to populations and from neurons to behaviour. The Department tries to achieve the overall goals and objectives of the college and also focuses on the following special departmental objectives:-
2. To train majority of rural girl students in a wide range of science-based skills that provide the learning base for future careers in disciplines of teaching , research and management such as health sciences, agriculture, fisheries, environmental management and emerging biotechnology.
3. Provide quality education and inculcate the spirit of resource conservation and love for nature.
4. To motivate the students for self employment in various applied branches of Zoology.
5. Impart value based education and make them members of civil society and provide opportunities for professional and personal development through curricular and co- curricular activities
6. Student conduct field studies through projects in the various aspects such as Fisheries, Biodiversity and Wild life, Insects collection etc.
7. To offer associated seminars and practical classes, supported by supervisions where appropriate.
8. To provide constructive feedback on their progress, individual student is assessed throughout the year in their written work, practical work, project work and participation in various curricular and co- curricular activities organized time to time.
