Sri G Somashekhara Reddy, Member of Legislative Assembly, Ballari city and Alumni of Veerashaiva College inaugurated the programme by lighting the lamp. The knowledge acquired within four walls of the class rooms is not enough to face the challenges in modern time.

Dr K Ramesh, Registrar(Evaluation), VSK University, Ballari, was invited as a chief guest. He asked the students to engage themselves in capacity building activities to attain success in competitive examinations. Prof. Venugopala Reddy, Dean, Science and Technology, VSK University, Ballari, has thrown light on job opportunities available in the modern world.

While addressing the students, he said, slow efforts to create job opportunities and constantly increasing number of graduates caused for the problem of unemployment in India. It is unfortunate that the people who are capable to work are not getting suitable jobs. This caused for individual and social problems. Education should lead foundation for individual's life. The educational institutions of the present day should give much importance for developing practical knowledge and skills. He suggested establishing eco friendly industries.
