Pearls of our College

Prof. U R Rao

Prof. U R Rao, a recipient of Padma Bhushan and Padma Vibhushana, is one of the distinguished alumni of our institution. He worked as the chairman of ISRO for about ten years. He developed satellite technology in India for achieving rapid development. Under his guidance, various satellites were designed, fabricated and launched for providing communication, remote sensing, and metrological services. He has made original contributions to Indian space technology. He was the first Indian to be inducted into the satellite Hall Fame, Washington.

Dr. Sudha Murthy

Dr. Sudhamurthy, a Padma Shri awardee, is a distinguished alumni of our college. She is the first woman engineer appointed at India's the largest auto manufacturer TELCO, Pune. The contribution made by Sudha Murthy to art and literature, education, poverty alleviation, empowerment of women, public hygiene, health care, social and economic development of the country is quite significant. She started Infosys foundation to implement social welfare schemes. She received many prestigious national and international awards for out-standing contributions and social service. She is a role model in many respects especially in her high thinking and simple living. We feel proud of her achievements.

Dr. Y.S. Rajashekhar Reddy

Dr. Y. S. Rajashekhar Reddy, was an outstanding alumni of our college. Though he pursued medical education, he was interested in political affairs of the country. He raised to the position of the Chief Minister of Andhrapradesh by his hard work and utmost concern for the neglected sections of society. He was a mass leader. His incessant efforts to provide basic amenities to the ignored and the down trodden population established milestone in political arena.

Chief Justice N.Y. Hanumanthappa

N.Y. Hanumanthappa is another distinguished alumni of our college, who served as the chief justice of the orisa high court in 2001. His contribution to the field of judiciary is invaluable. As a chief justice, he delivered historical verdicts on various public issues. Soon after retirement from the post of chief justice, he became a member of parliament and served the public with greater concern and sympathy.

Kotilinganagoud Patil, IAS

Sri Kotilinganagoud Patil worked as an IAS officer for almost three decades in Karnataka. He had got the privilege of serving three eminent governors of Karnataka as secretary to governor. He served the academic community vividly in his capacity as secretary to the chancellor. During the last days of his service, he became the Administrative Judge of Karnataka Administrative Tribunal.

GMP Reddy, IPS

GMP Reddy is one among many gems, the college has produced in its long journey of 76 years. Mr. Reddy's dedicated service in maintaining law and order as the superintendent of police and commissioner of police brought him many awards. His way of Handling of Anti-national forces and curbing crime cases in the state is comparatively unique and distinctive. Eventually, he got promoted to the highest position in the state police service as the Director General and Inspector General of Police, West Bengal. During his office as DGP, he used his power to serve the common people and to uphold justice.

Justice G Patri Basavana Goud

Sri G Patri Basavana Gouda is one among the other pearls of veerashaiva College. He has earned name and fame in the field of Judiciary through discharging his duties honestly and with discipline. His dedication and devotion towards legal profession provided him a privilege of serving as the judge of high court of Karnataka. Subsequently, Government of Karnataka recognized his honest service and worship of professional ethics and selected to the post of upalokayukta to fight corruption among public servants.

Dr. Ibrahim B Syed

Dr. Ibrahim B Syed served as a clinical professor of medicine and Nuclear Cardiology, and Director of Nuclear Medicine Sciences at University of Louisville Kentucky, USA. He received Government of India and World Health Organization scholarships to study DRP at the Baba Atomic Research Centre in Trombay, Bombay. He became the first Indian ever to earn the doctor of science degree in Nuclear Medicine from the Johns Hopkins, University. In 2008, he received "Distinguished Service Award" from the American Board of Radiology.

S. Veeresha Prabhu, IPS

Veeresha Prabhu is another jewel of our college who joined Indian Police Service in Maharashtra State. Based on his caliber, strong insight and capacity to handle deadly situations and shrewdness in tracing the culprits, the Government of Maharashtra, many times, assigned him the responsibility of checking and controlling violence, worst and dangerous situations. He received best police officer award for having handled Malegon riot intelligently and prevented losses to the lives and property of the public. At present, he is working as the Additional Commissioner of Police, Mumbai.

About College

Veerashaiva Vidyavardhaka Sangha, ever since its inception in the year 1916, has stood at the forefront in running the educational institutions in Ballari & Koppal Districts.

The Veerashaiva College, established by V.V. Sangha in 1945, a prime educational institution has been striving hard to cater to the needs of the region over the period of time. The institution offers qualitative higher education to the urban as well as rural folk. It also aims at creating awareness towards national integrity and social responsibilities. The college concentrates on teaching-learning centered practices for overall development of student community. The impact of the facilities available in the college is vividly seen in the production of men and women of great eminence and international repute as symbol of intellectual integrity and academic achievement. The eminent scientists like Prof. U.R. Rao, former chairman of ISRO, Dr. Syed Ibrahim, first Indian ever to get D.Sc Nuclear Medicine in USA, Dr. Sudha Murthy, Chairman, Infosys Foundation, Bengaluru are outstanding alumni of our college.

This reputed institution is situated in cantonment area of the city. The majestic building is situated in a vast area of 101 acres land adjacent to the national highway No.63 connecting Gooty-Ankola. The college earlier was affiliated to Madras University till 1956, then to Mysore University till 1964, then to Karnataka University till 1980 and then to Gulbarga University till 2012. Now, it is affiliated to Vijayanagar Sri Krishnadevaraya University, Ballari.

The College has celebrated its "Golden Jubilee" in the year 1996. Now, preparation is going on for the celebration of "Platinum Jubilee" on the completion of 75 years of meaningful service to the betterment of mankind.

The College has been known for its academic excellence. Every department has highly qualified, experienced and competent professors. Many of them possess M.Phil and Ph.D degrees. The college has fully equipped laboratories and an automated Library, which are continuously updated with the financial assistance of University Grants Commission and Management.

Vision

Consciously creating and re-creating an enabling overall learning environment from time to time to face the unpredictable changes and challenges that are being engendered by the latest developments in the society, economy and polity.

Mission

- Educating the learners with skill oriented knowledge.
- Preparing the learners to address the social needs.
- Providing the value based, culture based, project based and experience based education to students so as to arrest the growing ill practices in society.
- Facilitating the learners to establish a link and create a balance between their reasoning and feeling faculties.

Warning of Ragging (As per Supreme Court Direction)

RAGGING & SEXUAL HARASSMENT (INCLUDING TEASING, COMMENTS ETC) ARE CRIMINAL OFFENCES. ANYONE INDULGING IN SUCH ACTS SHALL BE RUSTICATED AND POLICE COMPLAINT WILL BE LODGED FOR FURTHER ACTION.

" Quality is our Mantra to achieve Excellence "

UNDER GRADUATE COURSES

It is a matter of pride to say that Veerashaiva College was the only HEI in Pre-Independence era in the entire region of Hyderabad-Karnataka to cater to the needs of higher education of the people. Several courses with multiple combinations have been activated by taking into account the changing scenario and latest requirements of the nation. The learning diversity is provided with advanced equipments and facilities.

" Quality is our Mantra to achieve Excellence "

2. ATTENDANCE, PROGRESS AND CONDUCT

- 2.1 Each semester shall be taken as a unit for the purpose of calculating attendance.
- 2.2 The students shall attend such course work during each semester as prescribed by the institution and shall not remain absent from work without valid reasons.
- 2.3 As prescribed by VSK University, Ballari a student should maintain a minimum of 75% attendance during the course period. If he / she fails to maintain the requisite attendance, he/she is not eligible to appear for examination.
- 2.4 The Institution expects good character and conduct from the students on and off the campus. They should also respect the norms of the institution and act accordingly.
- 2.5 The performance of the students in the internal tests will be intimated from time to time in order to achieve progress.

Continuous Assessment :

Two internal tests in each term of the semester courses are conducted. Students should compulsorily attend the tests and examinations. The performance is evaluated and measures are taken for improvement.

Facilitating Centre For Civil Service Examinations :

The facilitating centre for civil service examinations is established to train the students for competitive examinations to be held by UPSC and KPSC. A separate study room with relevant books is opened for the benefit of the students. Most important study material, periodicals and journals are kept in the study room for the use of students. The highly competent and experienced resource persons from reputed coaching centers have been invited to train our students.

Remedial Classes :

The remedial classes are conducted by different departments. Students who are unable to keep pace with the teaching and do not perform satisfactorily in the tests or examinations can avail the benefit of these remedial classes.

Extra -Curricular Activities :

Extra - curricular, cultural and sports activities which play an important role in developing the overall personality of the students, associations such as Kannada Sahitya Sangha, English Literary Association, Planning Forum, Telugu Association and Science Association are formed to bring out the hidden talents of students. These associations provide them with ample opportunities to participate in co-curricular activities.

Sports & Games :

The institution has got a well furnished indoor stadium, vast playground, National standard swimming pool and basket ball court with flood lights. The students are encouraged and trained to participate in inter -collegiate competitions, University Team Selection for various sports and games. The zonal and inter zonal tournaments and University sports Meet are conducted in the Premises.

NCC & NSS :

As a part of imparting value based education, NCC and NSS units are geared up to strictly adhere to the discipline. Through the activities of these units, students are provided opportunities to inculcate the civic responsibilities.

" Quality is our Mantra to achieve Excellence "

**IQAC :**

An Internal Quality Assessment cell (IQAC) is actively functioning in the college and all the activities conducted in the college are reported to the NAAC Office from time to time by IQAC.

FACILITIES**Library :**

Library & information Center is located in campus with independent building adjacent to the main building with floor area of over 10,000 sq Ft and seating capacity of 200 students at a time. It has a document collection of over 50,000 volumes of text books, reference books, project works, and back volumes of journals of various subjects. The library subscribes more than 120 journals on various subjects of national and international reputation catering to the needs of students, staff, and research scholars. The library services are fully automated using SOUL software developed by INFLIBNET Ahmedabad. Books are issued / returned on bar coded 1 D. Students can access the library holding through OPAC. The library provides internet facility to students & staff with on line access to e-journals, databases of the library at free of cost.

Seminar Hall : Well furnished A/C seminar hall with audio-visual equipment.

Scholarships :

Substantial scholarships are granted by state and Central Governments under various schemes. Some of the scholarships are sanctioned for Children whose parents are working in Mines, Military and Physically Challenged students get merit Scholarships, B.Com Scholarships, Sanchi Honnamma Scholarships, C.V. Raman Scholarships and others.

Endowment Prizes :

Endowment prizes have been instituted by the munificent people and are awarded to the students who secure high honours in their examinations and other co-curricular activities.

Hostel :

Separate hostel accommodation is available for both boys and girls. The preference will be given to students coming from rural areas.

Bank : Pragathi Krishna Gramina Bank, Veerashaiva College Campus, Ballari.

Language Lab :

The college is equipped with language lab which will facilitate the students to get acquainted with excellent fluency and accent in speaking English.

Office Automation :

The college office is fully automated, almost any information regarding staff and students is at the click of the button.

Canteen Facility :

A Spacious, cleanly maintained canteen caters to the needs of the staff & students.

Transport for Students :

Bus facility is available from various places of city to the college.

"Quality is our Mantra to achieve Excellence"

OTHER COMMITTEES & SUPPORT SERVICES

About 21 cells & committees have been functioning actively to provide support services to the students community & to solve their problems & grievances. A few of them are given below.

Students Grievances and Redressal Cell:

The cell pays attention to the problems of the students and tries its best to solve the problems in the interest of the students.

Career Guidance and Counseling Cell:

This cell interacts with the students regarding their career and employment opportunities and counsels them to come out from interview phobia. The cell aims at the overall development of the student community.

Women's Guidance & Counselling Centre:

Women's Guidance & Counselling Center is formed to give proper guidance for girl students by way of counselling and solving their problems.

SC/ST Cell:

The Cell has been functioning to take care of the needs and problems of SC/ST students.

Alumni Association:

The college has got the glorious history of 73 years. Many of the past students have got enormous regard for their parent institution. They do meet and think a lot about the development of the college. Their contribution is no small a matter, they are ever ready to provide any kind of help needed at any time to college.

Research:

Veerashaiva College is the recognized research center for Kannada University, Hampi. More than 15 students are pursuing doctoral degrees in Kannada and other subjects from this center. In addition to this, our students are sufficiently encouraged to take part in research activities in their respective subjects.

Special Features:

1. Well furnished class rooms with fans, fixtures and ICT facility.
2. Well equipped laboratories with latest equipments.
3. Audio-Video, LCD Projectors are used for effective teaching.
4. Well furnished A/C seminar hall with latest equipments.
5. Botanical/ Historical/Educational & Industrial Tours are conducted for students.
6. Coaching for CA Entrance Examination (CPT) is regularly given.
7. Rendering consultancy services in academic field by the college faculty.
8. Facilitating center for civil service examinations.
9. Swimming Pool, Indoor Stadium, Gym, a vast playground etc.
10. Curricular and Co-Curricular activities for the overall development of the personality.
11. Wi-Fi and internet facility.
12. A well furnished library having more than 52,000 books, e-books and 123 subject related magazines and journals.
13. A well established placement cell through which campus interviews are conducted by inviting reputed MNC's.
14. Development of Employability Skills, Soft Skills, Life Skills and Problem Solving Skills.
15. Top priority for acquiring empirical knowledge.

" Quality is our Mantra to achieve Excellence "

Outstanding Achievements in the Academic Year 2018-19

A large number of students in all the U.G and PG. Programmes secured distinctions and first classes.

We have many avenues
to the question

**What
after PUC?**

Sri Gopal Rajashekhara Gowda
Chairman, Veerashaiva College

Dr. G. Rajashekhara

The VEERASHAIVA COLLEGE, BALLARI, established by V. V. Sangha in 1945, a prime educational institution, is striving to cater to the needs of the region since 8 decades. The institution delivers quality higher education to the urban as well as rural folk. It aims at bringing in awareness towards national integrity and social responsibilities. The College focuses on learner centered practices for overall development of student community.

The impact of the facilities available in the College is vividly seen in the production of men and women of great eminence and international reputation as a symbol of intellectual integrity and academic achievement.

The eminent scientists like **Prof. U. R. RAO** - Former Chairman of ISRO, **Dr. SYED IBRAHIM** - first Indian ever to get D.Sc., in Nuclear Medicine in U.S.A. and **Smt. SUDHA MURTHY**, Chairperson, INFOSYS Foundation, Bangalore are outstanding Alumni of our College.

Our Powerful Placement Cell:

Many MNCs & Indian Corporates visit our college for campus selections. Thanks to the strong and powerful placement cell, working hard to put our brainy students in the world map.

We are happy to convey that during previous year's campus interview by **INFOSYS**, 10 (Ten) of our bright students have been selected.

This year, along with **INFOSYS**, **WIPRO**, **TCS** and many more are visiting our campus for their recruitment.

This kind of life supporting service is a very rare, specially when it comes to Northern Karnataka & rarest when it is non-engineering degree colleges.

Our placement Cell is another feather on the crown of VVS.

Graduate Studies in

DEPARTMENT

Commerce has been providing diversified knowledge in Business Management right from its inception in Veerashaiva College.

Striving relentlessly to widen its functioning area by taking into account trends and developments in the present world. In contribution of the saga on PG Studies in Commerce was started in the year 2011-12. The department is always in forefront especially in organising commerce and business activities to supplement classrooms learning. The study tours have been organised every academic year to provide empirical knowledge to the students. Seminars are also organised regularly by inviting experts from different industries and Research Centres. Wide opportunities for campus interviews are provided in the campus itself. Many of our students have got jobs in reputed companies abroad also.

HIGHLIGHTS

Become a hub of business and trading in recent years. There is an increasing demand for postgraduates who pursued their higher education in the field of commerce and management. The PG course in commerce is designed to fulfill the aspirations and the requirements of industries. Personal attention will be given to student in imbuing the essential qualities and skills that are felt essential to meet modern challenges.

Eligibility for PG Studies in M.Com: Any Degree holder with Commerce from Recognized University.

ATOR

ABOUT VEERASHAIVA COLLEGE

"Service to mankind is service to GOD" is a noble saying. Service done in the form of enlightening the minds of human being to dispel the darkness of ignorance from their lives is really a laudable service. As a part of this service "Veerashaiva Vidyavardhaka Sangha" came into existence in the year 1916 to provide education from UG to PG in Ballari district. Being in the field of education, the Sangha identified the necessity of a degree college in Bellary region in 1945 to cater to the needs of the people in higher education. Sri Yechi Reddy Mahabaleswarappa, one of the founders, came forward with all enthusiasm to open the degree college by fulfilling all the conditions imposed by then the Vice Chancellor of Madras University Dr. Lakshmana Swamy Mudaliar. As a result of it, the Veerashaiva College took its birth in 1945. Currently, it is affiliated to Vijayanagara Sri Krishnadevaraya University, Ballari.

VISION

Consciously creating and recreating an enabling overall learning environment from time to time to face the unpredictable changes and challenges that are being engendered by the latest developments in society, economy and polity.

MISSION

- Educating the learners with skill oriented knowledge.
- Preparing the learners to address the social needs.
- Providing value based, culture based, project based and experience based education to students so as to arrest the growing ill practices in society.
- Facilitating the learners to establish a link and create a balance between their reasoning and feeling faculties.

OBJECTIVES:

- (1) It is proposed to conduct coaching classes for NET & SLET exams.
- (2) Campus interviews from reputed companies will be arranged for the benefit of the students.
- (3) Encourage the students to do their projects at reputed research institutes.
- (4) It is proposed to have MOU with the industries research centers and other reputed and premier institutes and to have student exchange programme.

LIBRARY

The Central Library building is located in the campus with 1359 sq feet and constructed in two floor over 2500 books, journals & periodicals for PG Studies. Well-furnished auditorium, seminar hall to exhibit cultural and intellectual talents.

College provides hostel facilities for girls and boys separately for those who come from far-off places.

PLACEMENT & JOB OPPORTUNITIES

M.Sc graduates can obtain jobs in Academic and research institutes of government and non-government agencies. In addition, pharmaceutical companies and research laboratories can absorb students directly through campus interviews with handsome annual packages.

Post Graduate Studies in PHYSICS

ABOUT THE DEPARTMENT

The Department of Physics at the UG level was started in the year 1950. Prof. U.R. Rao was a pioneer in establishing the department with devotion and dedication. As a result of which the department's reputation reached its pinnacle. Numerous alumni have brought name and fame to the college, department and the whole. To name a few of the distinguished alumni, Prof. U.R. Rao Space and Former Chairman, ISRO, Prof. Syed Ibrahim, Scientist Nuclear University of Louisville, Kentucky USA. PG course in Physics is introduced in 2011 to extend higher learning opportunities to the students. Eminent faculty members from different Universities are also on the panel of faculty of the department of PG Studies in Physics.

HIGHLIGHTS

Students of this region can take up this course and full fill their aspirations of Post Graduate Studies in Physics. The department is well equipped with all the necessary instruments, laboratory and equipments. The Department of Physics equipped with modern instruments and manuals to undertake the post graduate course with a view to extend higher learning opportunities to the students. Eminent faculty members from different Universities are also on the panel of faculty of the department of PG Studies in Physics.

S

Well equipped laboratories

Conductivity and Humidity Sensor setup for research activities.

Measurement of Dielectric constant of solids apparatus.

Eligibility for PG Studies in Physics : Any Degree with Physics as one of the combination from the Recognized University.

COORDINATOR

Post Graduate Studies in CHEMISTRY

ABOUT THE DEPARTMENT

The Department of Chemistry was established in 1950, since then the department has maintained high academic standards throughout. The department has to its credit the post graduation centre in General Chemistry in 2011 to 2014. Presently, the department has four doctorates as faculty and Ph.D research scholars and we have collaboration resource faculties from esteemed Institution like IISc, IIT and University for conducting Post Graduation course in Chemistry. It is intended to establish research centre to enable the students to pursue research after Post-Graduation. It is also proposed to have networking and MoU with research institutes / organizations like IISc, IIT and Universities. Department encourages all its faculty members to guide and supervise P.G. students in research activities. Department of chemistry also has an international collaborations, both as MOU at the level of institute and faculty-to-faculty collaboration.

COURSE HIGHLIGHTS

- ❖ The Department of chemistry witnesses multidisciplinary research activities in chemical science, nano technologies, and bio-electronic field. The department's mission is to provide a high-quality education in chemical science at the post-graduate levels that prepares students for productive careers in chemical science and related fields.

FACILITIES

- ❖ Well equipped laboratory for P.G. studies.
- ❖ UV-Visible double beam spectrophotometer.
- ❖ Microwave for organic synthesis.
- ❖ Research work and characterisation facility in collaboration with IISc, Bangalore.

Eligibility for PG Studies in Chemistry : Any Degree Like PCM, CBZ, CBBT, CZBT, from Recognized University.

COORDINATOR

Post Graduate Studies in ZOOLOGY

ABOUT THE DEPARTMENT

The Dept of Zoology was established in the year 1950. With the inception of department, a large number of students opted zoology in their U.G. Studies. Based on the increasing demand of the subject at student's level, the management resolved to introduce Master's program in Zoology from the academic year 2019-20. Post graduate studies in Zoology envision to provide quality education in Zoology by studying diversified animals and their biology. The course sternly emphasis on laboratory components in teaching curriculum and research as well. Our teaching methodology focuses on the basic and applied fields of Zoology, assisted with Demos, Models, Videos, Presentation, Seminars etc, which provides requisite skills and enhance knowledge to take up further studies. While pursuing Masters in Zoology, one can carry out research work on varied integrated topics in collaborations with reputed institutions and laboratories. The department has highly qualified and dedicated teachers with teaching and research experience of more than 15 years in various fields of Zoology.

COURSE HIGHLIGHTS

- ❖ The two years Post Graduate Studies in Zoology provides flexibility by tailoring the course to suit you.
- ❖ The first year of degree allows you to study a diverse range of topics to understand the animals and their integrity.
- ❖ In second year, it provides an opportunity to work in a selected field for research along with some specialized open elective papers.

FACILITIES

- ❖ One full fledged Zoology Laboratory with enough number of specimens, Charts, Microscopes, Permanent slides, Models of skeletons of various animals etc.
- ❖ LCD projector with all time wifi connection and computer accessibility.

Eligibility for PG Studies in Zoology : Any Degree Combination with Zoology from Recognized University.

Department of Computer Science

What Next after PUC ?!?!?
My Best Choice in UG!!!
BCA @ Veerashaiva College
.... Why?

Salient Features are:

- Well established Infrastructure with 60+ High Configured Computers and Internet Facility.
- Experienced Faculty.
- Best Support for Sports & Extra-Curricular Activities.
- Skill Development Programmes.
- Well established Library.
- Hostel & Bus facilities.
- Assured placement in reputed companies.

And, a big plus

**"One and Only degree college
to have PLACEMENT FACILITY in Ballari"**

Our Recruiters: Infosys, Wipro, L&T, TCS, JSW, ICICI, Pedilite, Tech Mahindra, Accenture & other Companies.

600+ Students are placed already.

"So, why don't you be a part of this?"

Who can apply?

PUC (PCMB, PCMCs, PCME, PCMS & Commerce), Diploma & ITI students.

Department of Bio-Technology

"A lot is happening in
Bio-Technology -
It is a never ending
area for Innovation"

Bio-Technology: is the application of advances made in the biological sciences. Especially involving the science of genetics and its application. **Biotechnology** has helped improve food quality, quantity and processing. ... **Biotechnology** impacted a lot on health and medicine arenas too.

**"The Alumni of this college are toppers
at different universities."**

Career Prospects after B.Sc in Biotechnology:

- Bio Fertilizer Industry - Research Organizations, Agro Based Industries
- Bioinformatics sector - Environmental Units
- Marine Biotechnology Units - Food Processing Industries
- Chemical Industries - Biochemist & Biophysicist
- Biomedical Engineer - Epidemiologist (Microbiologist)

Choose **Bio-Technology** with combination of **Chemistry, Botany / Zoology (C.B.Bt / C.Z.Bt).**

Who can apply?

Should have completed 10+2 with Chemistry & Biology or Chemistry, Botany & Zoology.

Department of PG Studies

**M.Sc. Physics
M.Sc. Chemistry
M.Sc. Zoology
M.Com**

**"Place where you can
build your Destiny"**

Aspire | Acquire | Achieve

We create leaders, achievers & models of Inspiration. Get into post graduate studies and grow as opportunity creators. To reach this destiny, we at PG Department, Veerashaiva College, facilitate with....

- Personal care for individual student with capacity building to face the modern day challenges.
- Skill enhancement & personality development through curricular & co-curricular activities.
- Special Seminars/Lectures/Workshops will be organized by inviting subject experts.
- Experienced, supportive, talented & dynamic staff.
- Well equipped laboratories
- Sophisticated library with a good number of National and International journals with E-Learning facility.
- Focus on competitive exams.

Who can apply?

A degree in the respective option from any recognized Universities.
