Faculty, Management and students understand, accept and respect diversity. A balanced equitable cohesive environment is created on the campus where all respect every one irrespective of abilities, disabilities, socio-economic background, gender, religion and region. The staff and students who have hailed from heterogeneous groups accept and respect each other. They love and prefer peaceful co-existence, cooperation and mutual understanding. Initiatives are made for the development of tolerance and inculcation of harmony among students through conducting co-curricular activities. Throughout the academic year, birth anniversaries of great saints, social and religious reformers, nationalists and freedom fighters are celebrated from which staff and students acquaint with values. The fundamental values of life have been taught in the curriculum of some of the courses namely sociology, political science, literature, environmental studies, human rights etc.

The Departments and Committees held seminars and special talks on communal harmony, tolerance, social justice, social equality, national integration, and such other crucial values of life. The special talks and seminars enable staff and students to explore wide spectrum of values with the potential to enrich their lives. A sense of sharing life, living together and belongingness are perfectly indoctrinated by the staff and students. The department of sociology has organized a two day national seminar under the theme “ The contributions of Babu Jagajivanaram to Social Equality and Justice”.

In the same way, the institution aimed to nurture the students as the responsible citizens of the country. The mandatory paper Indian constitution is introduced for all the UG courses. In this paper, the students learn about human rights, values, duties and social responsibilities. In addition to it, a value added course called certificate course in human rights is introduced to educate students

on human rights and duties. This course is activated successfully from the year 2018-19.

On the occasion of celebrating national festivals invited guests, inspire the staff and students by sharing information on important events of Indian freedom movement, sacrifice, rights, duties and responsibilities of citizens that are enshrined in the constitution of democratic India. Code of ethics and conduct is prepared with a view to regulate staff and students behavior on and off the campus. Everybody obeys rules of conduct and behave accordingly. The involvement of staff and students in NCC and NSS activities helped to strengthen the social bonds and harmonious relations. The department of political science displayed charts of human rights, duties and responsibilities of citizens in the important places of the campus. Voters Day is celebrated every year. Various programmes have also been conducted on eco-friendly, bio-diversity, and sustainable environment. The teachers' teach about morals, ethics, values and virtues in their regular classes. The language teachers inculcate good practices and morals into the lives of the students through preaching moral stories.

National Service Scheme

National Service Scheme, also known as NSS, is an extension of activities for students pursuing higher education to increase their participation in community service, in addition to their curriculum. Each volunteer must complete 120 hours of social service in one academic year. September 24 is observed as NSS Day since 1969 and is marked across the nation with great enthusiasm. It is the day when this public service scheme was officially launched in India. NSS was launched on September 24, 1969, by Dr. V.K. R.V. Rao, the father of NSS and then Education Minister of India, in 37 universities. Covering all states of India, NSS had 40,000 volunteers at that time. NSS Day is a celebration to commemorate the tireless efforts of each volunteer towards the welfare of one and all.

Veerashaiva College celebrated NSS day on 25.9.2023 in the college campus by giving Awareness talk about NSS History, Significance, Messages and Motto of NSS. In this Programme, Chairman, Sri Darur Shanthana gouda and College Governing body members Sri Gangavati Veeresh, Sri Karegouda, Sri S Venkatesh Gouda and D. Vishwantha were present. Principal Prof. Dr.G Manohar, Dr. Kavitha Sanganagouda M. Director of Physical Education and Sports, Sri Sharanabasava and Smt. Bramaramba, NSS Programme Officers and students were gathered during the occasion. Sri Sharanabasava delivered speech on significance of NSS and vital role of NSS in the society. Report on:

WORLD ENVIRONMENTAL DAY (05 June 2023) CELEBRATION

Last Monday on 5th June 2023, our college National Service Scheme Units organized a program to celebrate World Environment Day. The Chairman Ramanagouda president of VV Sangha's Principal Dr. G Manohar along with NSS Programme Officer Unit A Sri. Sharanabasava, all the faculty members and students were participated in the program with full energy. The President inaugurated the programme by watering to pot.

The aim behind organizing this program was to give awareness to people about keeping the environment clean and safe from pollution. For this purpose, plant more trees to purify the air and make the earth green. The program started at 11.00 am. The forest department gave a sapling to each student and asked them to plant it around the campus.

This was an amazing and interesting activity. All the students started planting and the teachers guided them in this regard. Some students cleaned the campus. The gardener surveyed the entire campus and made sure that planting is done appropriately. After this, the students were directed to reach the Seminar hall where the principal gave a speech in which he encouraged students to participate in these activities. He also added that we should also motivate others to keep their environment clean free of pollution so that we can live a healthy life. It was the pleasurable activity we enjoyed most and promised with our principal to plant more trees in our surroundings. They also explained the plastic pollution effects on environment and human beings.

WORLD NO-TOBACCO DAY (31st May 2023)

Last Wednesday on 31 May 2023, our Department organized a program to celebrate World Environment Day. The Chairman Sri Darur Shanthana Gouda and Veerashaiva College Governing body members Gangavati Veeresh, Sri Karegouda, Sri D. Vishwanath and Sri Venkatesh Gouda Principal Dr. G Manohar along with NSS Programme officer Unit – A Sri. Sharanabasava, and all the faculty members and NSS students were participated in the program with full energy.

To inculcate awareness about the harmful effects of tobacco our Veerashaiva college organised a programme on 'World No-Tobacco Day' on May 31 2023. all the students of B.Sc, BA and B.com were invited. The students through placards, posters, skits and songs highlighted the risks involved in the chewing of tobacco. Dr G Manohar made awareness lecture. They warned the people about lung cancer, heart problem, mouth cancer etc. that are caused due to smoking. They also warned against passive smoking. They advised the people to shun cigarette, bidi, pan masala, gutka, etc. that kill and shorten life. The audience appreciated the efforts made by the students.

This was an amazing and interesting activity. All the students started planting and the teachers guided them in this regard. Some students cleaned the campus. The gardener surveyed the entire campus and made sure that tobacco free campus is done appropriately.

After this, the students were directed to reach the auditorium where the principal gave a speech in which he encouraged students to participate in these activities.

They also motivated others to keep their health from the tobacco so that we can have a healthy life. It was the pleasurable activity we enjoyed most and promised with our principal to avoid the use in our surroundings.

'Women in Science'

"National Science Day" is celebrated on 28.02.2020. Dr.Jyothi Aravind Patil inaugurated the programme and delivered a special talk on the topic 'Women in Science.' She said, despite marked advances in Women empowerment, inequalities and disparities are still found in existence all over the world. Though women constitute half of the world population only 30% of them have become scientists and research scholars. Age old prejudices are preventing Women from making use of opportunities in the society. This is one of the hindering factors of women empowerment. She advised the girls to come up in life by making use of naturally accessible rights. She also felt the necessity of the entry of more number of Women into the fields of Medical Science, Engineering and Basic Sciences.

Dr.G.Rajashekhar, Principal presided over the function. Sri.W.Sharanappa, Dr.K.C.Sajjan and Dr.G.Manohar are present on the dais. Miss.A.Shirly Jones executed the programme. Sri.G.Mallanagouda welcomed the guests. Sri Sharanakumar proposed vote of thanks. Kum. Ramyashree sung prayer song.

Blood Donation, Blood Check up Camp and AIDS Awareness Programme

Blood donation, Blood check up camp and AIDS Awareness Programme was organized under the auspicious of National Service Scheme and Youth Red Cross Wing jointly on 20.02.2020. The camp is inaugurated by the Principal Dr G Rajashekhar. On this occasion, he addressed the students. He said, the demand for blood has been increasing everywhere in the country. But most of the people who are capable to donate blood are not voluntarily coming forward due to wrong notions prevailing among them.

A person can save the life of three persons by donating his blood. All the healthy men and women can donate their blood regularly with a gap of 3 to 4 months. Researches in medical science have revealed that increasing of iron content in blood causes health problems. Therefore, people can reduce iron substances in their heart, liver and pancreas by blood donation. As a result of it, no organ in human body suffers from any disease. The blood donation reduces stress in human beings. Youths and Adults can donate their valuable blood to minimize the widening gap between demand and supply of blood, he suggested. Sri Girish, Counsellor, delivered a talk on AIDS – Causes and Remedies. Sri Sharankumar and Sri Ashok Omkar, NSS Officers, executed and monitored the programme.

"International Women's Day – 2019" on 08/03/2019

Ms. Nandini K R, Probationary I A S Officer inaugurated the programme by lighting the lamp. In her inaugural speech, she spoke about miserable and pitiable conditions of Women in India. All the countries including India consist of 50% of Women in their total population. However, Women are kept aware from most of the productive activities in the name of traditional beliefs. This ill practice hindered the growth and development of our economy. She also emphasized about atrocities and violence committed against women in the name of gender system. Gender inequality can be seen from womb to tomb. Problems like fetus killing, female infanticide, immoral traffic of women, sexual abuse of women etc., have continued even in modern civilized societies. Rights of women are given much importance in the present days. Now, women have come out from their houses and started to work in different fields. They have made remarkable achievements on par with men in their working areas. However, exploitation of women still continued in organized and unorganized sectors. Patriarchal values must be removed completely from our society.

The modern man should change his attitude towards women. She asked the girl students to put sincere efforts in studies and take active part in all the activities of society. Dr.G.Rajashekhar, Principal, delivered a presidential speech. The exploitation of women would not stop unless we change the social and cultural bonds.
