- According special trust to scope and method of teaching.
- Using modern teaching aids that evince keen interest in learning.

Objectives:

- Planning to give more importance to Sanskrit medium.
- Popularizing the language through organizing spoken Sanskrit camps.
- Subscribing more number of informative Sanskrit magazines.
- Developing writing and communicating skills.
- Timely assessment and evaluation of students' performance.

About the Department:

The Department of Sanskrit came into existence in 1950. Since then, it has been teaching Sanskrit to P.U. and U.G. Classes. Following the syllabi prescribed by then universities, the department has also taken due care to promote and popularize the classical language. The department is not lagging behind in rich collection of old gold volumes. The Central Library of the College has good collection of text books, reference books, dictionaries, mythological works and also Vedic volumes.
